

# G288: LOCAL VOLUNTEER AND DONATION MANAGEMENT

## Course Description:

This course addresses the planning considerations and operational requirements for an effective donations management system at the local level. A special emphasis is put on the importance of collaborative partnerships between local government, volunteer agencies, and community organizations as the key to success in volunteer and donations management.

The purpose of this course is to provide local emergency management personnel and voluntary agency representatives with the knowledge and skills necessary to develop and execute an effective volunteer and donations management program as well as develop a volunteer and donations management support annex.

## Target Audience:

Emergency Management, Voluntary Agencies

## Register:

Registration will be through [COTrain](#). Course ID# 1026686.
